

# Chrysler vs. Toyota

Chrysler

Toyota

The JPC (Jobs Per Car) score is based on how many U.S. workers each company employs for every 2,500 cars it sells here.

**Level Field** was founded by retirees of Ford, GM, Chrysler, and the companies that supply them. We encourage all foreign-owned automakers to invest more in America—home to some of the best workers in the world. But if you are considering a company's contribution to our economy when you buy a car, you should have all the facts.
