The JPC (Jobs Per Car) score is based on how many U.S. workers each company employs for every 2,500 cars it sells here.

Level Field was founded by retirees of Ford, GM, Chrysler, and the companies that supply them. We encourage all foreign-owned automakers to invest more in America—home to some of the best workers in the world. But if you are considering a company's contribution to our economy when you buy a car, you should have all the facts. To learn more, please visit our website at: www.levelfieldinstitute.org

What you drive, drives America.
